Vote For Issue 8

Issue 8 will not increase taxpayers' annual costs, and it allows us to take advantage of \$120 MILLION from the State to replace and renovate our schools. It will reduce disparities across the SWCS district, eliminate \$40 MILLION in maintenance costs to aging buildings, improve education for our students, and add value to our community for the future.

Election Day is March 6, 2012.
Early Voting begins January 31, 2012.
