Grove City

CHAMBER
OF COMMERCE

GCChamber.org/Arts

To ensure the protection of the entry, the safety of the display, and the quality of new acquisitions to this Collection, these PRESENTATION points must be followed:

2-D PAPER/FRAGILE ART: Must be framed, glazed (glass, acrylic, plexi...) and wired for hanging. No bare glass edges

2-D DURABLE ART: Must be framed and wired for hanging, or have otherwise finished edges (i.e., canvasses may be "gallery-wrapped"). Glazing is not required for durable art.

QUILTS AND LARGE FABRIC ART: A dowel rod (4" longer than the piece is wide) and rod pocket

3-D ART is no longer eligible for the Grove City Easel Award.

FRAMING (and matting) will be considered integral to the PRESENTATION of the piece: it must aesthetically enhance the art and be in quality condition. Frames must be wired for hanging!
